Bob

I hope you are well. As a result of your successful evaluations at the 07 ERA Business Conference, I would like to extend you an invitation to speak again next year based on availability and fee schedule. The Conference will be held in Orlando, Florida February 26-27-28. My preference would be for you to speak on either the 27th or 28th conducting two or three 75 min session on the same day. Please email me your fee schedule for this arrangement as well as three or four title/descriptions for sessions you would recommend.

I look forward to hearing from you. Have a great weekend.

BTW.....I promise to make a special effort this year to get to meet you in person. Dave speaks very highly of you.
