Dear Bob:

On behalf of the FAHSA Board of Trustees, Convention Participants and Staff, we would like to thank you for presenting during FAHSA's 44th Annual Convention and Exposition the week of July 29, 2007 at the Rosen Shingle Creek in Orlando. Our goal was to excite and educate the participants and to provide them with the best possible quality presentations – and with your assistance – we definitely surpassed those expectations!!!

Your enthusiasm was enlightening and during your presentation, you were able to catch and keep the attention of all of the participants. We thought your presentation was incredible and thought provoking. For your information only, we have put together a short summary of how the participants as a whole rated your presentation. The sessions were excellent and as you can see from your scores, very impressive! On a scale from 1 to 6, with 6 being highest, your combined scores are as follows:

Knowledge of Topic	Knowledge of Audience	Presentation Style	Organization of information
