Dear Bob,

Thank you for taking part in our 2007 Kickoff Meeting in Las Vegas, NV. Please feel free to share our experience with your program with other interested parties who may be considering your presentation.

"Bob's program was a strong compliment to our meeting's theme of *'Driving Execution through a Culture of Personal Accountability'*. Bob did an excellent job of understanding and discussing the challenges our team faces on a daily basis, and connecting to the importance of setting, and managing to goals. Bob's style combined energy, passion and focus to help our team grasp the core concepts around Personal Accountability. More than just an interesting presenter, Bob was able to draw participation and provide actionable follow-up for our team to incorporate into their sales and activity plans."

Thank you again, Bob and we look forward to incorporating more of High Performance Training's programming into our 2007 sales plans.

Warm Regards,

Christopher R. Evans
