Comments:

Karen Jeffrey: Great

Brian Jeffery: Bob was great

Very motivational and practical

Good bullet points, slides easy to follow

Dennis Stephen: Enthusiastic and excitable... a coach

Very good

Great

BP Schobel: Thank You!

Joseph Fallituch: Painfully true

Ed Coda: Truly universal. I'm lazy and definitely avoid having to look at that.

Gabe Stephanic: Fantastic and helpful. I will use this

J Carlson: Good thoughts and ideas for all

Lois Upton: So my parents were right to hit me??? I realize this isn't exactly what he was trying to say. His delivery was very good.

CB Monday: Sitting on the edge I found it really difficult to understand the speaker

Too fast a finish. Trouble letting it sink in

Very useful information

Held audience's attention

Bob was outstanding

Mike Wilcox: Does Bob Davies do seminars on this discussion?

Melissa Baker: Bob was helpful and entertaining. Very enjoyable.

Excellent

Jeffrey Larkin: Wonderful speaker, great topic

Too long in development

OK

Anthony Gentilello: Great!

Karen Masotti: Very much enjoyed the enthusiasm and humor. Excellent and applicable ideas!

Great job. 1.2% is awesome, thanks.

Merle Jones: Well done

Sheila Bouie-Sledge: A little too fast for so much material

E Portnoy: Dynamic. Useful

Jeff Lapidus: Reinforcing. Entertaining and motivational. Always fighting the demons

Fred Vaught: This is very useful

Bill Steck: Great performer, wonderful point

Excellent, entertaining

Grant Lane, Great job!

Cliff Sledge Jr: Excellent

Really interesting, new way to think. Very energized

Doug Mayes: Much better than Sarano Kelly

Wayne Potter: Helpful and engaging. Easy to follow and implement. Really Good. Team accountability...about to use with my team

Doug Schmidt: High energy, bottomline results

Much better than Sarano Kelley
