Thank you for such a great program. Here is a testimonial.

“We hired Bob Davies as a motivational speaker for our sales team. Bob delivered an entertaining presentation to help us focus on perceptions, to be a better sales team. He’s a dynamic and fun speaker, with a scientific twist.

Many in the audience commented on how practical and useful his information was and how his concept of behavioral contracting could help them to take the actions that they have been avoiding.

We were particularly impressed with Bob’s knowledge of our industry, our daily challenges and the effort he made to be relevant to those challenges.

AmeriFirst Home Mortgage is proud to recommend Bob Davies.”
