

PLATINUM
HOME MORTGAGE

Platinum Home Mortgage was thrilled to have chosen Bob Davies as our guest speaker for the company's Annual Awards Conference. We have done extensive research in looking for an appropriate guest speakers and were interested in finding a professional speaker, with relative industry knowledge, who can successfully capture the attention of our entire audience; a 120 person audience that consisted of Loan Officers, Branch Managers and our Corporate Senior Management team. We required someone who can deliver a fun and highly impactful program. And Bob, you delivered that and more.

Once Bob Davies took the stage, everyone loved him. While conveying his message clearly, his enthusiasm and great humor had everyone laughing, all while relating to the points he was trying to get across. Bob Davies' overall presentation was great, high-energy, and comical. Bob Davies is very passionate about his work; which comes across during his speech. He definitely exceeded our expectations.

If you have any further questions, please feel free to let me know.

Thank you.
