Bob was a pleasure to work with from the moment we reached out to him for our event. He is accountable, detail-oriented and thorough which allowed us to have very clear expectations regarding working with him.

Further, our group thoroughly enjoyed his presentation; the feedback we received on The 1.2% Solution was overwhelmingly positive! Some of the comments participants shared were “dynamic,” “thought-provoking,” “informative,” and “motivating.” We definitely recommend Bob as a keynote speaker.

Have a great weekend,

Michelle
