Re: Customer Testimonial

After exhaustive research and multiple interviews with potential guest speakers, we hired Bob Davies to speak at our annual company meeting in February 2009. As a construction firm, we have a wide-ranging audience from field personnel to back-office staff to executive management, so the challenge was to identify a speaker that could connect with all levels of the organization.

Mr. Davies spent time with us up front to customize his presentation and was extremely well prepared. He brought a high level of energy combined with humor and, most importantly, was able to relay relevant and impactful content.

Our Executive Management team was very pleased with Bob's performance and we would definitely hire him again to speak to our organization.

Sincerely,
