Dear Bob,

On behalf of everyone in attendance at the 2006 "Seek the Peak" Pak Mail Conference, thank you! The 90-minute keynote address you delivered with non-stop energy and inspiration provided the ideal launching pad for our 3-day conference. You encouraged the audience members to think, reflect and stretch their existing beliefs to unknown territories.

It was a privilege to work with you. Your passion and professionalism was consistently evident in our pre-conference preparatory work together as well as during the conference and upon its conclusion. You managed to incorporate so much of the character and mechanics of our business into your presentation it was as though you were a member of the Pak Mail family. Our group was very impressed with the level of "homework" you obviously did about our company and concepts.

Wishing you every possible continued success and I know that our paths will cross again in the future.

Regards,

P. Evan Lasky
